Hello Tami,

I hope that this message finds you well. Rep. Jagler would like to see an amendment drafted for AB455 including the changes outlined in the email below and in the attached PDF. We are on a very short timeline before the Committee on Health on Tuesday and would like the draft as soon as it is possible/reasonable. I realize that you are likely very busy, but if this could be completed by Monday morning it would be ideal.

If there are any issues or if I can be helpful in any way please let me know. We really appreciate your assistance!

Thanks and all the best,

Mark

Hi Mark --

Please see the attachment. We would like to see the highlighted portion of the bill removed/erased. With these changes, the money allocated will go directly to the Department to be used to contract with peer-run respite centers just as it is in the budget. This will create administrative efficiencies by allowing us to use the funding in a procurement process that is already beginning rather than starting a new grant program. Let me know if you have any other questions. However, please call my cell as I am changing offices right now and I don't know where I will be.

Thanks!
